Why Solis?
**Solis Reliability**

Our third-party validated reliability leads the pack:

<table>
<thead>
<tr>
<th>No.</th>
<th>First inverter manufacturer to pass PVEL (former part of DNV-GL) inverter reliability testing</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt;.2%</td>
<td>DNV-GL validation testing earned top-of-range lifespan projections in the String inverter category</td>
</tr>
<tr>
<td></td>
<td>100% of inverters produced are duration-tested before shipment to reduce failures during installation</td>
</tr>
<tr>
<td></td>
<td>The only company in China to receive awards for 4 consecutive years</td>
</tr>
<tr>
<td></td>
<td>Ginlong (Solis) first participated in the 5th ‘All Quality Matters’ Ceremony organized by TÜV Rheinland and was awarded the first place as “PV Inverter for Commercial Use (20kW)”</td>
</tr>
</tbody>
</table>

**Solis Bankability**

Our financial and manufacturing strength is widely recognized among leading financial institutions:

<table>
<thead>
<tr>
<th>32%</th>
<th>Strong financials with total assets at $200 million (USD) with no bank debt</th>
</tr>
</thead>
<tbody>
<tr>
<td>20GW</td>
<td>Manufacturing capacity of 5 GW with an expansion to 20 GW in 2020</td>
</tr>
<tr>
<td>TOP 3</td>
<td>Endorsed by BloombergNEF as a top 3 bankable Asian inverter brand</td>
</tr>
<tr>
<td></td>
<td>Listed by leading US banks and financial institutions including BoA, JP Morgan Chase, Mosaic, Sungage Financial, Dividend, Sunlight Financial, etc..</td>
</tr>
</tbody>
</table>
Solis Service

Solis goes beyond with in-country inverter experts committed to your success:

- Hassle-free service delivered by local technicians available by phone and on-line
- New Solis three-step after-sales support defines service excellence

Bankable. Reliable. Local.

w: ginlong.com / Stock Code: 300763.SZ
With a 15+ year legacy of trust and dependability, Solis is your strategic partner for solutions that last:

**2005**
Established in 2005, we are one of the oldest and largest manufacturers of solar inverters.

**2009**
Completes PV inverter production facility that includes entire industry chain.

**2012**
Develops joint academic workstation at Shanghai Jiaotong University.

**2015**
Ginlong (Solis) equipment installed at Eiffel Tower.

**2019**
First and only publicly traded company with a primary focus on string inverters (Stock Code: 300763.SZ).

**2020**
Tested, long-term partnerships with leading distributors worldwide.
Established in 2005, Ginlong Technologies (Stock Code: 300763.SZ) is one of the oldest and largest manufacturers of solar inverters.

Ginlong’s cost-effective solutions for residential, commercial, and utility-scale users deliver value at every level of the solar supply chain, engaging both homeowners and businesses, as well as power producers and renewable energy investors across the globe.

Presented under the Solis brand, the company’s product line uses innovative string inverter technology to deliver first-class reliability, validated under the most stringent international certifications.

Combining a global supply chain with world-class R&D and manufacturing capabilities, Ginlong optimizes its Solis inverters for each regional market, servicing and supporting its customers with its team of local experts.

Our proven bankability has attracted support from world leading financial institutions, ensuring solid long-term returns on investment as we work with our stakeholders to accelerate the world’s journey toward a more sustainable future.
